

FUTURE MEDICAL LEADERS

- the newer generation of future medical graduates -

FMLC GENERAL MEETING!

Thursday January 11, 2017

RM2509

8:40 AM

“Guiding Passion to Profession”

What Is Future Medical Leaders Club?

- Students that truly have a striving desire in the medicine and health profession in the future are our most targeted members for this club.
 - Great opportunity for medically passionate high school students to fully expand and accelerate on their medical knowledge, building a greater experience in high school.
 - Through this Future Medical Leaders Club, students will be able to explore their medicine/health field interest for a full grasp of their upcoming medical related major decision when applying for colleges and prestige universities.
-

- Future Medical Leaders Club will be holding events that may require small fees.
 - The CPR/First Aid Certification Course requires a fee because the club will need to pay for the class and teen license issued.
 - The suturing and dissection activity will also require a small fee because the club will need to pay for suturing kits, dissection kits, etc.
- *More information will be given once the events get closer. Fees can typically range from \$5 - \$15 and will be needed to be paid to the club treasurer. *

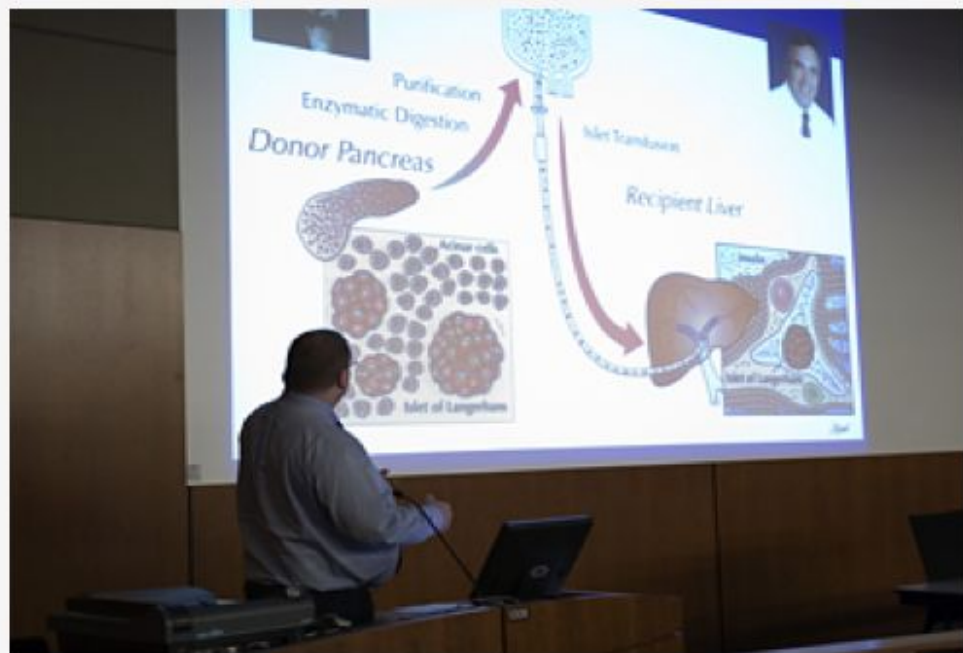

FMLC DUES?

PHYSICIAN LECTURES

Future Medical Leaders Club members will host monthly lectures by physicians, doctors, and other medical professionals. We will get to learn the different specialties such as radiology, cardio-thoracic, neurology, orthopedics, anesthesiology, nursing, and so much more!

Future Medical Leaders will be able to explore different medical/healthcare topics and issues in our society. Members will then present their proposal to the others.

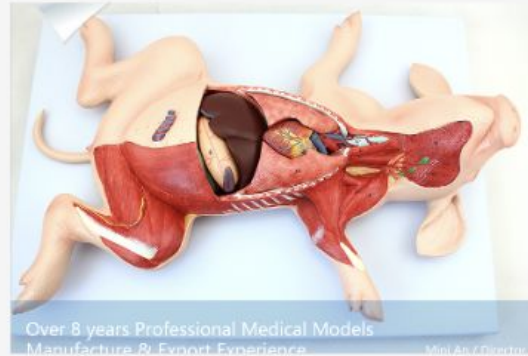

MEDICINE/HEALTH TOPIC
